NEW RELEASE - LMF/KAISHAN KRST
RANGE of COMBI AIR COMPRESSORS

10/07/24 to 20/08/24

We are excited to announce a special on the launch of our LMF/Kaishan KRST Combi range of Air Compressors. These machines are now all in stock in Dubai, available from **5.5kw to 22kw**, all consist of a **screw air compressor, with matching fridge type dryer, filters, on a 500L tank**. Comprising a very small footprint and exceptional tropical performance, all are plug and play making installation a breeze.
